

Financial Assistance Services

How We Can Help You

The National MS Society provides financial assistance to help alleviate some of the financial burden people with MS may experience.

Financial assistance is offered in the following categories:

- Air Conditioners
- Emergency Assistance
- Occupational or Physical Therapy Evaluations
- Short-term Individual or Family Counseling
- Durable Medical Equipment
- Vehicle Modifications
- Homemaker or Chore Services
- Personal Care at Home or Respite Care in a Facility
- Home Modifications
- Children's Activities Fund
- Transportation

Who Can Apply

Any person diagnosed with MS, living in Massachusetts or New Hampshire may apply for financial assistance. The application requires disclosure of monthly income and expenses. However, the National MS Society recognizes that MS is a costly disease and encourages individuals who need help to apply.

How Do I Apply?

1. Request an application from the Chapter.
2. Complete the application & provide a doctor's written confirmation that you have MS.
3. Return the completed application to the Chapter.

A Chapter staff member will contact you regarding your eligibility for financial assistance.
